Keith Weller Lounge

For more information visit our website

PPG!

Become part of our patient participation group! Provide your views and opinions to move the Practice forward. Let's work together! If you are interested in joining, please download a form from our website and hand in to Reception.

Remember to book in for your flu jab! This is available at the Surgery up until the end of March

DID NOT ATTEND

Here is the amount of patients who did not attend their booked appointment last month:

233

This is a total of 23 wasted appointments

CAMPAIGN OF THE MONTH

Ovarian Cancer Awareness Month

Ovarian cancer is a disease that can disrupt the normal function of the ovaries. If it's left unchecked, it can affect other parts of the body too.

Symptoms of Ovarian cancer:

- Persistent stomach pain
- Persistent bloating
- Difficulty eating/feeling full more quickly
- Needing to wee more frequently

Ask to speak to a clinician if you are worried about the symptoms above
