

## 🚧 Exciting News! Building Works Starting Soon

We're delighted to announce that an exciting building project will begin on **Wednesday, 29th October!** Over the next few weeks, we'll be **remodelling our waiting area and reception desk**, as well as **creating two new clinical rooms** to enhance your experience with us.

The work is expected to continue for approximately **four weeks**. We apologise for any disruption this may cause and want to assure you that we'll do our very best to **keep any inconvenience to a minimum**.

During this time, please **follow any signage** around the building and be extra mindful of **safety**, especially if you are visiting with **small children** or have **reduced mobility**.

If you have any questions or concerns, please don't hesitate to **speak to a member of our team** — we'll be happy to help.

We look forward to **unveiling our new look** in just a few weeks' time!

Thank you for your patience and understanding as we make these exciting improvements.
